

Sunday Morning Adult Education

First Church Green Team Series

Feb. 10 - Brooks Berndt, Minister of Environmental Justice at the UCC National Offices will be offering a sermon talk back following worship.

Feb. 17 - Jeanne McKibben "Women Environmentalists". Discussion of Rachel Carson and the impact of her book *Silent Spring* plus several other notable women environmentalists whose unique vision and writing have made a difference.

Feb. 24 - Carl McDaniel "Science and Ideology." When policy is ideology based instead of reality (science) based, people are hurt with some dying. This was the case with Lysenkoism in Russia in the 1930s to the 1960s as well as in the US under presidents Bush the second and Trump.

March 3 - Congregational Meeting
