

A woman in a black and white floral shirt is riding a blue motorcycle with its headlights on. She is smiling and looking towards the camera. Behind her, a group of five people are standing in a lush, green outdoor setting, holding various fresh produce items like cucumbers, watermelons, and green beans. The scene is bright and sunny, suggesting a rural or agricultural environment.

BE THE LIGHT

When you give to **One Great Hour of Sharing**, you are light for people in need. You offer light when disasters strike, and when chronic conditions threaten families and communities. You are light not just in the immediate future, but also for the long haul. When you give, you restore not only structures, but also transform lives. Your gift ensures that no matter how difficult the situation, light shines.

Be the light. Give to One Great Hour of Sharing.

SHINING THE LIGHT ON FOOD SECURITY.

Orfelina works with families in the northern regions of Honduras to help them understand how to transform their families and communities through agriculture. The list of things she does is mindboggling: Checking on local farmers' harvest. Monitoring water projects. Teaching the women in the community how to prepare more nutritious meals for their families. Chatting up community leaders for support. Running workshops for things like creating organic fertilizers and sprays.

But Orfelina doesn't just *work* with farmers and their families, she supports and encourages them. Visiting them in their homes. Bringing God's light to everyone she meets. And all of this is made possible through your giving to One Great Hour of Sharing. Because of your giving, projects like these and thousands more around the world are changing lives. Transforming communities. And spreading God's light. Be the Light. Give to One Great Hour of Sharing.

UNITED CHURCH
OF CHRIST

You're here to be light**, bringing out the God-colors in the world. God is not a secret to be kept. We're going public with this, as public as a city on a hill. If I make you light-bearers, you don't think I'm going to hide you under a bucket, do you? I'm putting you on a light stand. Now that I've put you there on a hilltop, on a light stand—**shine!
