YWCA of Palestine – Jalazone Kindergarten and Community Center

What better way to support a more sustainable and hopeful future than to support and educate future generations? The YWCA of Palestine, a United Church of Christ partner through Global Ministries and supported by One Great Hour of Sharing, has engaged local Palestinian communities since 1893.

Today, it offers programs of economic empowerment, women's rights, youth leadership, and children's education. An example of the latter is the YWCA's nursery schools and kindergartens in refugee camps, schools the YWCA has run for decades. In addition to regular classes, the YWCA offers skill-based camps such as photography and sports, as well as other extra-curricular activities at its schools.

In the occupied Palestinian West Bank, roughly one-fourth of the 900,000 Palestinian refugees registered with the United Nations live in 19 refugee camps. The YWCA kindergarten in the Jalazone Refugee Camp near Ramallah is a sign of hope for a community that has endured over 75 years of displacement.

The school and connected community center address the needs of over 80 children and their families within the camp. In a place that is often subjected to raids and night-time patrols by the Israeli military, children are not immune from the trauma the residents of the camp experience. As a result, the YWCA has added awareness and counselling sessions to regular classes to help improve the psychological well-being of the children there.

The opportunities that the YWCA affords the community through the kindergarten benefit the children, their families, and the teachers as well, providing a safe space for play and employing techniques to cope with the stress of daily life living in sub-par circumstances of a refugee camp under military occupation.

The pride the children have when they dress up for their graduation ceremony is palpable. They enjoy the celebration of their accomplishment, and anticipate their next stages of education and life better able and prepared for the challenges they will face.
